

AMENI GRAMI

Front End Engineer | React Specialist | Agile Project Management | User Experience Focused

amenigrami489@gmail.com • <https://www.linkedin.com/in/ameni-grami/> • Sousse, Tunisia

Summary

With 4+ years of experience in frontend development, I specialize in creating dynamic and responsive web applications using React and modern web technologies. My background combines academic knowledge with hands-on professional experience, enabling me to deliver intuitive user experiences and optimize application performance. I bring a proactive approach to learning, problem-solving, and technical innovation, consistently driving successful project outcomes.
